FROM THE SUGGESTION BOX

It has been suggested that the College needs a **policy** (or set of policies) on faculty/staff membership in organizations such as **Kiwanis, Lions Club, Civitan, Rotary**. CANINE UNIT MOVES TO FIFTEENTH STREET

The **Alabama Canine Law Enforcement Officers Training Center (ACLEOTC)** has moved its operations from Westervelt Farms to the **Fifteenth Street Campus**. ACLEOTC will begin working from the Fifteenth Street location on April 1st.

In order to make this move, new kennels and storage space had to be constructed. The central offices of ACLEOTC will be housed in a trailer formerly occupied by the Certified Drivers License school of the Alabama Highway Patrol. The main classroom of ACLEOTC will be a portable on the drill field of the Alabama State Fire College. Students who attend ACLEOTC programs and courses will be housed in local motels. The College will provide meals for these students in the cafeteria on Fifteenth Street.

HELEN THOMAS IN TOWN

Shelton State is co-sponsoring a presentation by **Helen Thomas, the UPI White House Bureau Chief**. Ms. Thomas has been a news correspondent for over forty years, covering the White House during the presidencies of Kennedy, Johnson, Nixon, Ford, Carter, Reagan, and Bush. These experiences, in addition to her continuing coverage of the White House during Desert Storm and its aftermath should be of interest to all our students and faculty.

Ms. Thomas will be at the **FNB Concert Hall** in the Moody Music Building on the UA campus on **April 10th**. Shelton State students and faculty are invited to attend the question-and-answer session which will begin at **11:15 a.m.**

Helen Thomas Visit (continued)

Those who are interested are encouraged (and permitted) to dismiss your classes to attend. However, if you do so, please take reasonable measures to ensure that your students do actually attend the session with Ms. Thomas.

For students and faculty without transportation, a Shelton State bus shuttle will leave the Skyland campus at 10:30 a.m. There is no admission charge for this event.

RETURN TO "FIFTY-MINUTE" CLASSES

Because of a change in policy from the Chancellor's office, the Shelton State will again be permitted to use **fifty minutes** as the standard for an instructional hour in its classes. Please recall that earlier in the year, the Chancellor had required us to use **fifty-five minutes** as the standard for class periods which lasted longer than seventy-five minutes.

We will resume the "fifty-minute" schedule with the **summer quarter**. The only change may be that the "twelve o'clock" slot will begin at 12:45 p.m. on the Fifteenth Street Campus and at 12:25 p.m. on the Skyland Campus.

The reason for this difference is that the occupational and technical programs which are taught on the Fifteenth Street campus quite often require students and faculty to be in class or lab from morning through afternoon. In such cases, if there is not a regularly scheduled lunch break there is no time during which students and faculty can eat lunch.
